### CITY & GUILDS, 2382-15

17th Edition: Certificate in the Requirements For Electrical Installations BS7671

### COURSE OVERVIEW

This course is ideal for anyone working in the electrical industry that needs to prove they are up to date with the latest IEE wiring regulations. This 3 day course covers all the topics required to give candidates a working knowledge of wiring regulations along with a brief overview of the Electricity at work regulations.

This is a classroom based course. It is designed to bring you up to speed with the latest 17th Edition wiring regulations including all the latest amendments. You will learn all the key regulations that you will find in day to day installations, as well as understand how to reference your regs book for the more obscure ones. The course then culminates in an open book multiple choice exam which allows 2 minutes to answer each question. This means you can take your copy of the BS7671 book into the exam and refer to it as and when required.

### COURSE CALENDER

UPCOMING BATCH	OCTOBER 15, 2016
UPCOMING BATCH	OCTOBER 29, 2016
UPCOMING BATCH	NOVEMBER 12, 2016

- ✓ Part 8 – Appendices

This course does include the latest amendments such as:

- ✓ Electromagnetic Disturbance
- ✓ Surge Protection
- ✓ Medical locations
- ✓ Operating and Maintenance Gangways

## CURRICULUM

### REQUIREMENTS

#### REQUIRMENTS

No previous qualifications or experience is required; however you must have basic computer skills as all assessors must input data into a software program in order to produce the energy performance certificate.

### EXAMS & ASSESSMENTS

#### EXAMS & ASSESSMENTS

You will take a 2 hour online multiple choice exam on the third day of this course. You will be able to take your 17th Edition Regulations book (BS 7671) into the exam with you and refer to it if need be. The timing of the exam means that you will have on average 2 minutes per question so a good overall knowledge of the 17th Edition regs plus a thorough understanding of the book is a must.
