

COMMERCIAL GREEN DEAL ADVISOR (UPSKILL)

COURSE OVERVIEW

This course is designed for the Qualified Non-Domestic Energy Assessors.

The training consists of 2 days on-site and further study/inspections are required. During the two days we will teach you the principles of the Green Deal in the commercial sector and also show you how to produce a Commercial Green Deal Advice Report (GDAR) using the latest GD-SBEM software conventions. There will also be a short multiple choice test taken on the last day of the course.

We are accredited with City & Guilds and hold Direct Claims status with them. We will mark your assessments portfolio on behalf of City and Guilds, speeding up the qualification process.

The cost of the course includes training, assessment, the certification fee and all course material, along with refreshments throughout the day. No hidden costs or additional charges guaranteed.

PORTFOLIO

DO I HAVE TO PRODUCE A PORTFOLIO?

Once the course is complete the candidate is required to produce a portfolio of evidence which is made up of three EPCs and three GDARS based on real buildings. One of these buildings will be supplied during the course. We will mark your assessments portfolio on behalf of City and Guilds, speeding up the qualification process.
